Each Round shall consist of programs as set forth in Rule 3277. Juvenile events and Competitive Test Track events shall not be seeded.

IMPORTANT NOTICE TO ALL COACHES

All coaches will have to comply with the coaches' registration policy in order to instruct/coach at all competitions. A list of all coaches who have successfully registered will be available at <http://www.usfigureskating.org/clubs.asp>. If they have not registered, they will not be allowed a credential. No exceptions.

ARTISTIC PROGRAM

The Artistic Program is one in which the skating moves are selected for their value in enhancing the skater's artistry and interpretation of the music rather than for technical difficulty. Single jumps (including the Axel Paulsen) and one double jump performed once are permitted; however, content may not exceed that for Free Skating at the same level. Credit for jumps and spins will be based solely on their choreographic effectiveness. The program should be an integrated exploration of the music; it should not be merely a collection of pleasing or spectacular moves with emphasis being placed on skating skills. Vocal music is permitted.

Skating attire must be modest, dignified, and not garish or theatrical in design. Skating attire may, however, reflect the character of the music chosen. Any ornamentation attached to the clothing must be firmly fastened so as not to fall off while skating under normal competitive conditions. Accessories and props are not permitted.

Program time for Junior/Senior will be 2:40 minutes maximum; Juvenile–Novice will be 2:10 minutes maximum. Program time for all other events will be 1:40 minutes maximum.
